SAN FRANCISCO ESTUARY PROJECT ANNOUNCES.....

6th
BIENNIAL STATE OF THE ESTUARY
CONFERENCE 2003
October 21, 22 and 23, 2003
Oakland Museum of California

This year's conference marks the 10th anniversary of the Comprehensive Conservation and Management Plan (CCMP)

Please join us to celebrate our accomplishments over the past ten years. The conference will focus on the dramatic changes to the Bay-Delta Estuary, the rapidly changing state of scientific knowledge about the Estuary and the implications of these changes on the future.

For additional information, please contact the San Francisco Estuary Project at 510-622-2465

"We, the people of California and the San Francisco Bay-Delta region, believe the San Francisco Estuary is an international treasure and that our ongoing stewardship is critical to its preservation, restoration, and enhancement. Acknowledging the importance of the Estuary to our environmental and economic well-being, we pledge to achieve and maintain an ecologically diverse and productive natural estuarine system."
